

ELECTION MANAGEMENT SERVICES

For over 30 years, the League of Women Voters of Los Angeles has administered customized elections throughout the greater Los Angeles area. Because every election is unique, each one is organized according to its specific needs.

FAIR. RELIABLE. EFFICIENT

The League believes that all elections must be fair, unbiased, and impartial. To help ensure this, only our trained volunteer workers and staff handle the ballots. To promote trust, we encourage the presence of observers.

We take the time to examine your bylaws and review any challenges, if they do occur. We remain available for voters to contact us, and receive accurate information about the election process. The League is experienced with how to run an election efficiently and effectively.

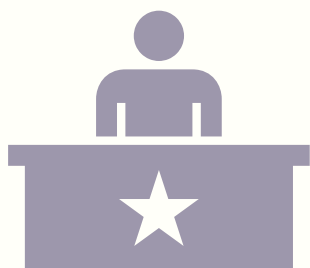

We administer elections for councils, governing boards, voting on issues, and policies.

We serve housing developments, homeowners associations, student body associations, local unions, neighborhood councils, nonprofit organizations, and professional societies.
